

Davenhill
SENIOR LIVING

To Whom It May Concern,

It has been my extreme pleasure to witness The North York Concert Orchestra (NYCO) in concert. The musicians graced our stage with pure artistry and great musical talent as they performed for our residents at our home, Davenhill Senior Living.

These very talented volunteers possess a unique gift of bringing quality classical music to those who would not necessarily be able to see such a charming performance in the area in which they live.

Without reservation I would highly recommend them and look forward to booking them to play again at our home soon!

I would be glad to share any additional comments about NYCO should you require.
