Dear NYCO board ,

We wish to express our gratitude for our long relationship with your organization. Our residents really enjoy both the full orchestra and the smaller ensemble musical groups. They have expressed on many occasions how wonderful to have the musicians come to them! There are many residents here with mobility and sight issues that would make it impossible to go to outside venues for entertainment. On average there are about 65 people who are in the audience however, the full orchestra event is always held in our atrium and the impressive sound reaches many staff members (nursing and dining) and even residents who live above the atrium. We are looking forward to their next visit and we hope to continue our relationship for a long time to come.

Cheers,

Susan Blye, Social and Activation Director, Briton House
